

Sam and Bloop's Challenges #6 ***Have fun!***

1 Secret sentence

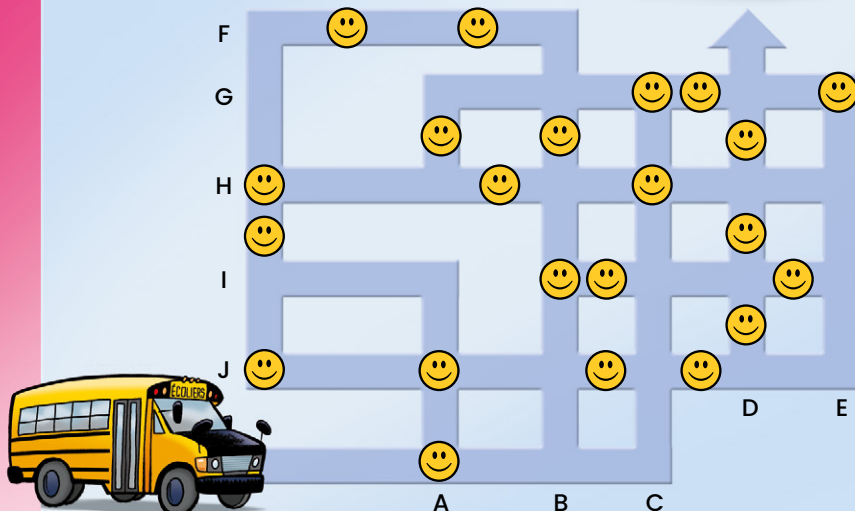

Put the letters of each column in the correct cell of the corresponding column to make up a complete sentence. Words are separated by a colored cell.

[illegible]

2 Efficient itinerary

Which itinerary must the school bus follow to pick up the students on the way to school?

WATCH OUT! The school bus only turns left. It may cross a single intersection as often as necessary, but it may never take the same road more than once.
