

Sam and Bloop's Challenges #8 *Have fun!*

1 Secret message

For each four-letter sequence, keep a letter out of four. Always follow the same pattern and you will uncover Bubusse's hidden message.

2 Fubuki

Help Sam by placing the digits in the grid so that they add up to the specified row and column totals.

2	+		+		=	11
+		+		+		
	+	5	+		=	14
+		+		+		
	+		+	7	=	20
7		17		21		

3 Logical sequence

Put the images in a logical sequence.
